JOINT STATUS REPORT

In accordance with the Court's April 24, 2024, Order, ECF No. 361, Plaintiffs
State of Alaska Department of Natural Resources and Department of Transportation and

Public Facilities (“the State”) and Defendant the United States hereby submit their Joint Status Report.

The State and the United States (collectively, the “Parties”) have agreed on the language of a draft consent decree to settle this case without protracted litigation. Now, counsel for the Parties must seek approval of the draft consent decree from the appropriate officials within the United States Department of Interior, the United States Department of Justice, and the Alaska Department of Law. If those officials authorize the proposed settlement and approve the consent decree, the consent decree can be executed and lodged with the Court.

Based on the foregoing, the Parties need additional time to seek the required approvals. Accordingly, the Parties respectfully request that the Court continue the stay of proceedings in this matter. The Parties propose to file a Joint Status Report by July 24, 2024 (30 days from the due date of this Joint Status Report), to inform the Court of the status of settlement and to propose any future actions in this case as may be appropriate, including dismissal of this action. The Parties submit that this request will not prejudice any party and will help foster judicial economy in the event that the Parties are successful in resolving the case through settlement.

Respectfully submitted this 24th day of June 2024.
